Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

About Me

"I'm Muthulakshmi, a passionate front-end developer with skills in HTML, CSS, JavaScript, and React. As a fresher, I've completed several mini projects, including calculators and mini games, which helped me build problem-solving skills. I recently completed a diploma in Computer Engineering and have certifications in Front-End Development and Zoho Creator. I'm constantly learning and refining my skills to create user-friendly web experiences. In addition to coding, I enjoy participating in competitions and learning new technologies."
